THE STESPEAN

Remembering '60-'61

Weeks-Townsend Memorial Library UNION COLLEGE, Barbourville, Kentucky

Union College
Barbourville, KY 40906

Miss Moore and class.

DEDICATION

The Stespean Staff dedicates to the most "acquainted" professor on campus, Miss Kathleen Moore, Associate Professor of Elementary Education, the 1961 Stespean.

A member of the faculty since 1937, Miss Moore is known to elementary school teachers throughout the Cumberland River Valley and is an active participant in community activities, especially in the field of education.

She has been acclaimed as the unofficial faculty advisor to about everyone on campus and has helped many students in preparation for their careers. We expect that many future graduates of Union will receive the expert guidance she has offered in the past.

Administration

The President

Dr. Mahlon A. Miller

Since their inauguration last Spring, the "presidential team" of Dr. and Mrs. Mahlon A. Miller has made its youthfulness and vitality felt on our campus.

As the gracious hostess of Baldwin Place, Mrs. Miller has made official functions interesting as well as impressive. She has maintained friendly contacts with the student body and provided morale-building encouragement on more than one "unofficial" occasion.

President Miller can look back, after one year in office, on the considerable strides he has made in creating policies which will build administration, faculty and students into progressive harmony as Union moves forward. •

ADMINISTRATORS

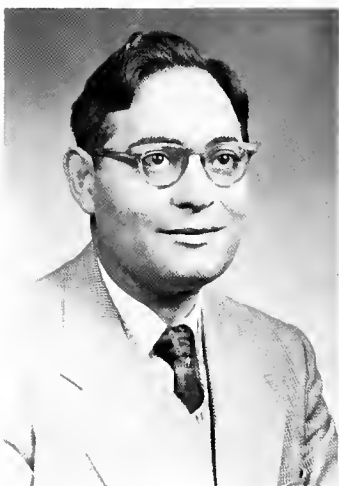

Morsholl B. Potter, Superintendent of Buildings and Grounds.

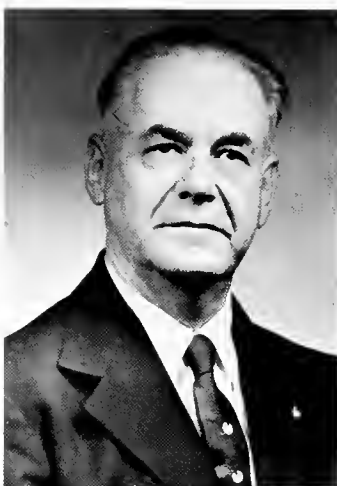

As neophytes we swept through the portals of Union on gilded wings, finally evolving into that last metamorphic stage known as Seniors. As we become elated by this gaudy evolution, we sometimes forget the helpful assistance given us by the administration.

Can we ever forget Mr. Spurlock, our monetary advisor, who frequently waived our payments to later dates, or Mr. Townsend, the High Priest of public relations, who often printed with bold face our scholastic praises? And in strolling across the beautiful campus, have we not seen the handiwork of our Care-taker, Mr. Potter? And last, can we ever forget the involuntary benevolence bestowed upon us by Miss Lucas who vigilantly watched our records of progress with a maternal eye?

No. Much of our success is due to the counselling of these people. Without them, we would not have been able to evolve.

Unknown soldiers for a known cause . . . these are the members of the college's staff who work diligently, but silently behind closed doors. These are the people who help keep us and Union in proper functioning order.

When we are sick, hungry, or book-thirsty, we tramp to them with sullen pride; yet they supply us with needed medicine, food, and books. When we are misled by our petty problems, we sorrowfully bewail our sins, and they try to cure us with kindly guidance.

Nor should we forget the members of the staff who take down dictation or carefully file away our transcripts. They, too, are part of the indispensable whole.

Foreign Students

Adding to the cosmopolitan atmosphere on Union's campus are these students from around the world.

Below: Lowly pledges are we . . .

Alpha Psi Omega

Alpha Psi Omega is a chapter of the national dramatic honor society. Students who are most active in dramatic presentations are chosen for membership.

This past year saw the Alpha Psi Omega members very busy with the "drama-a-month program" and the spring production of "Hamlet."

Highlighting the year's activities was the trip to New York City in the spring. The group saw some top Broadway plays, and benefitted from discussions of them under the leadership of its sponsor, Mr. Gilbert.

American Chemical Society

The A.C.S. is affiliated with the national organization and is composed of students majoring in chemistry.

The members of the A.C.S. saw several films throughout the year, some of which dealt with atomic energy. They also heard guest speakers and watched demonstrations given by their club sponsor, Miss Spencer.

American Guild of Organists

AGO is the student chapter of the American Guild of Organists. Under the able instruction of our sponsor, Mr. Hays, we were introduced to the various mechanisms and functions of the organ, and after a brief period of indoctrination we began to play.

At first our notes sounded like discords, but after awhile, our fingers became used to the keys, and our feet found the right pedals. In short, we were able to conquer a formidable foe.

Art Club

This "working" Club brings together all students who have an interest in art. Last Fall they silk-screened and sold Christmas cards. One of the favorite designs was the outline of Conway Boatman Chapel.

The Club enjoyed a variety of programs, including the presentation of slides; and the members sponsored an art exhibit in the Spring.

Beta Chi Alpha

Beta Chi Alpha is Union's only social sorority. It stresses artistic and cultural development.

This year the BXA program included the sale of Homecoming mums, the initiation of new members, a beatnik dance, and a formal dance which climaxed the year's social activities.

Beta Sigma

Beta Sigma is a scholastic honor society for Sophomore girls. The local chapter is chartered by the Cwens, which is a national honorary society. The members carried out service projects for the year.

Baptist Student Union

Below: The sweetest Southern sweetheart of all.

The B.S.U. is an organization which strives to unite Baptist students on the campus with the people of the Baptist Church in the community.

The group here at Union has formed a choir and has been engaged to sing in various churches within Kentucky. The group has sponsored various functions, one of which was the Sweetheart Banquet. Another project of the B.S.U. is the town parent program, which supplies each member with a home here in Barbourville.

Union Choir

The Choir, one of the better vocal groups in this section of the country, completed another season under its new director, Mr. John W. Dougherty. This year the group took a Spring tour in the Kentucky area.

The Choir was a great asset to the college by its participation in the Chapel services, and its programs at Christmas, Easter, and graduation.

Mr. Dougherty, Donna Pringle, Alice Blackman, Jeanne Graham, Mary Anne Curry, Glee Whitfield, Linda Salisbury, Gen Coulson, Pat Jones, Janice Hicks, Joan Werley, Kathy Stivers, Barbara Woods, Carol Osborne, Mary Frazier, Karen Hoffman, Susan Mink, Sally Snowball, Elaine Belzer, Sherry Shelton, Joyce Roberts, Diane Selvidge, Pat Hurley, Karen Watson, Judy Roberts, Helen Spitler, Mike Williams, Ken Smith, Gary Jessee, Ed Leach, Milton Perry, Mike Power, Jim Gardner, Richard Blish, Ron Salman, Ron Boone, Ron Ramke, Herb Osborne, John Wharton, Bob Wilson, Ralph Meluney, Dick Eslinger, Roger Watson, Dennis Lowden, Ken Simpson, Tom Hunter.

Circle K

Below: Such honors are left to the Kiwanis president.

Circle K is a service club associated with Kiwanis. It is a student organization which offers service to the campus and community.

The Circle K members served as guides for Homecoming and also for Senior Day. One of the most rewarding services performed this year was a Christmas party held in Pfeiffer Hall for underprivileged children of the area. Circle K also sponsored the Christmas Dance following the Boys' Open House.

Council of the Southern Mountains

One of the newcomers to Union College this year was the Student Youth Group of the Council of Southern Mountains. Adopting as its guide the principles of the mother group, the Council of the Southern Mountains, Inc., Union's group had two goals: to help students from other areas to become acquainted with the culture and needs of the Southern Mountains and to assist needy people in this area.

Dolphin Club

The Dolphin Club has as its primary interest the improvement of its members' swimming. We hope to make swimmers out of some and to improve on the ability of others.

During the past Homecoming, a water show was put on by the club and it was said to be one of the best shows ever put on at Homecoming.

The Dolphins' most important event of the year is the Spring Water Festival. This show consists of synchronized swimming, diving, and clown acts.

French Club

French Club is an organization for those who are interested in French culture and language. The monthly meetings were composed of educational slides, speakers, songs, and games.

This year the club sponsored a Can-Can show at the Halloween Carnival which featured our most talented and beautiful "les girls." They also featured a dance after the Women's Open House, and took an outing in the spring.

Below: And now, all penalties will be paid . . . justice will have its way . . .

This committee of upperclassmen organizes the activities for the Freshman class's first week at Union. The events are planned to acquaint the Freshmen with college life and to make their adjustment easy and pleasurable.

German Club

The German Club met once a month at the home of Dr. and Mrs. Marigold. At the meetings the members saw German movies, sang German songs, and twisted their tongues around "spoken German." This year, in cooperation with the French Club, the German Club sponsored the Valentine Day Dance following the girls' open house.

The major project on the club's program this year was the Christmas Tea. The members made and sold candles and enjoyed a candy pull.

Some of the more interesting programs were: Dr. Marigold with slides on Germany; an evening of mime with Mr. Gilbert; and a visit from Mojdeh Bazorgan, who told of her native Iran.

Along with new members and programs, the IRC gained a new sponsor, Dean Neeley. The programs have consisted of guest speakers, movies, and planned discussions on various countries.

The activities of the year were brought to a pleasant close with the outing held at Levi Jackson State Park.

Math Club

The ALPHA DELTA Mathematics Club is composed of students who desire to achieve more knowledge about the various fields of mathematics. The club endeavors through films, student lectures, staff lecture, and contact with visiting mathematicians to learn about their subject. Activities include an annual spring picnic.

Mens' Dorm Council

The Men's Dormitory Council was elected by the residents of Stevenson Hall. Its members tried to represent the interests and concerns of all the dormitory residents by enforcing the rules of the dormitory and disciplining those who broke them. In addition to this major responsibility, it planned several special events for the men.

The aim of the Council is to maintain an orderly, clean, and quiet dormitory which is homelike and conducive to study.

Milesians

In the **Nicomachean Ethics**, Aristotle quotes Demodocus' excellent epigram: "Milesians are no fools, you'd swear, and yet they act as if they were."

This is the first year in which the philosophy club has boasted its elegant title, which was that claimed by those thinkers who first plumbed the mysterious profundities of truth. The meetings of Union College's counterpart to the original Milesians are devoted to the instructive and mettlesome discussion of certain pertinent philosophical problems. The whole business proves that philosophers have just as much gumption as anybody.

Methodist Student Movement

Below: Any MSM member can tell you what this was all about.

The Methodist Student Movement is an organization whose purpose is to promote Christian fellowship among Methodist students and to present an opportunity for Christian growth through educational program and projects.

The M.S.M. regularly sends delegates to the spring and fall conferences of the Kentucky Methodist Student Movement. This year the Union group was host to the spring conference.

Oxford Club

This year the Oxford Club, which is composed of students who are entering the ministry as a life work, has reorganized its programs to serve its members better. The programs have covered drama, recreation, prayer, art, music, and many more. Among its committees are the hospital and jail committees, which render a great service to the community.

Pep Club

This year the Pep Club encouraged school spirit in many ways. The biggest was the new Pep-Band. The Club held a number of pep rallies, conducted a snake dance through the dormitories, and held a bonfire. In addition, they arranged car caravans to take students to some of the basketball games off the campus.

Pi Gamma Mu recognizes the scholastic achievements of social science majors and minors. The membership is composed of students from the upper third of the Junior and Senior classes who have maintained high scholastic averages and moral character. The organization strives to promote better human relations through social service and academic development. Pi Gamma Mu is Kentucky's Beta Chapter of the National Social Honor Society.

Playlikers

The Playlikers Club serves as a nucleus for the college dramatic productions. Membership is open to all students who have an interest in dramatics.

This year the Playlikers sponsored a drama-a-month program. The outstanding production was the presentation of "Hamlet" in March.

In order to encourage and further creativity among its membership, three one-act plays were presented. They were written, directed, and acted by the students.

SNEA

It is the purpose of SNEA to familiarize students of education with techniques and methods used in teaching and to establish a better understanding and appreciation of the profession.

Activities included a booth at the Halloween Carnival called "Haven of the Damned"; programs on education presented by members; speakers, movies, and a student teacher panel.

The big project this year is to improve a one room school building in order to create a better environment for the students to learn in.

Student Senate

The Student Senate has been busy this year revising its constitution. It has been working, through various committees, on almost every phase and problem of campus life. A plan for an Honor System has also been a major theme throughout the year.

The most noticeable projects carried out by the Senate were obtaining new records for the dining hall music and lights for the tennis courts.

"U" Club

Any student earning a letter, whether it be in inter-collegiate competition or as a cheerleader, is eligible for membership in the "U" Club.

Annually the Club sponsors the election of the homecoming queen and her court and the Homecoming Dance. The "U" Club also nurtured its growing offspring, the Pep Club.

Union College Christian Association

The Union College Christian Association held regular weekly meetings of a religious nature open to all students on campus who wished to attend. The regular programs throughout the year consisted of speakers, panels, and open discussions.

The main project of U.C.C.A. is the support of two Korean orphans through the Christian Children's Fund. Another project was the distribution of baskets to needy families in the communities near the school.

The Women's Dorm Council cooperates with the Administration in promoting a quality of dormitory life consistent with the ideals of the College and the best interests of the women residents.

This year a new fund-raising project replaced the traditional variety show. The newcomer was a box-social and sock hop held in the gym. Remaining on Pfeiffer's social calendar, however, were the annual Christmas Tea for the faculty and student body, and the girls' open house, after which the Sweetheart Queen was crowned.
